

13th Annual Stonewall Youth Shoot

June 3, 2017

Registration Deadline is May 19, 2017

Limited to first 50 applicants

The members of the Stonewall Rifle and Pistol Club feel that the education of our youth in the safe and proper use of firearms and good sportsmanship is very important. Since 2005 we have hosted a free event at our club to introduce boys and girls, age 11-17, to crossbows, air rifles, .22 rifles and trap shooting (with shotgun).

We begin the day with a 30-minute safety discussion by a Department of Game and Inland Fishery certified instruction and provide each participant with eye and ear protection. They get a free "T"-shirt with all of our great sponsors listed on the back to wear to school or wherever they wish.

Then they go by groups to each station for 50-minutes of instruction and shooting activities. They have two stations before lunch and two after lunch. At noon we stop for an hour to enjoy lunch and fellowship with new friends.

After the activities conclude we have drawings for prizes and a Grand Prize. For the past five years the Grand Prize has been a new compound bow donated by Parker Compound Bows.

We would love to have you join us at our next Youth Day as a participant or sponsor.

If you have any questions about attending as a participant or volunteer, or sponsoring the event please feel free to contact us:
