

Stonewall Rifle & Pistol Club, Inc.
2012 Stonewall Ladies Instructional Day
June 23, 2012

FREE

This event is open to the female family members and friends age 14 years and older of SRPC members and the public. It is designed to create opportunities to learn about firearms in a safe environment and welcome the ladies to our facility. The purpose is also to encourage, educate, and mentor women in the responsible participation of recreational shooting. It will be a safe, fun, and non-competitive introduction to shooting sports and basic firearm marksmanship in multiple shooting disciplines. Our goal is to help women develop a passion for shooting sports, which in turn, will bring family and friends into the sport, generating a positive introduction to the many shooting opportunities at the Stonewall Rifle and Pistol Club.

Loaner guns, ammunition, as well as eye and ear protection, will be provided for you, however if you have your own shooting glasses or ear protection please feel free to bring them.

If you do own a firearm and need help with it, please bring it, and your ammunition. Leave it unloaded, in your vehicle and in a proper carrying case, tote or holster. The range safety officer will assist you. There will be time after the event for you to get special instruction.

From 9am until? **Rain or Shine**

Please return this form ASAP so we can set the schedule and prepare a free lunch.
